President's Corner

Greetings VIPs and Friends of BOLD

Fall is here and we look forward to another quarter of events after a very nice summer session. I am so pleased to be a part of a dedicated group of volunteers who support each other in serving our VIP'S. On top of that we are supported by the #1 service organization in the world - namely Lions Clubs along with the Lioness as LEO Clubs of southeast Wisconsin. Our process is working well and running smoothly to make our events successful.

The previous statements are pretty standard issue from me and rightfully so. I just want to assure our new VIP's and any new volunteers that we will continue to expect the best from our Board to provide top notch programming and execution thereof. We will not become complacent but continue to provide improvement by our own means and also from VIP's and volunteer suggestions. As always, be sure to use "22" line of our call-in system to provide us with your ideas for everything BOLD.

We look forward to your ideas to help breathe more life in to our already great program!

On behalf of the BOLD Board of Directors, we wish you continued blessings for the year.

BOLD President**

Take time to get away and enjoy the sounds of the birds, the crickets, and the grass under feet. You and your guide will be taking a leisurely stroll at Lapham Peak State Park along one of several trails. Those of you, who are unable to walk the hilly terrain, can take a one mile paved side trail that loops around the park. There is a 40 ft. observation tower to climb.
